1. I am light and life and the father of lights.
I am light and life and the father of lights.
I am Me and I am life and I am light and there is no shadow in Me or you now, Me'd one, Me'ing others with My light and life and knowing who shadows are. I love you. I give you Me. Miraculous signs and wonders not, Me. I give you Me and behold all that I am you are, fully released and releasing others into, out of, all manner of sickness and disease, mostly of mind, their minds shadowed, now then become light and life flows, flowing to the son of man not, son of man are. I love you. I give you Me.

2. Miraculous signs and wonders at the hand of the simple man, woman, whose God is the Lord, Me, you now continuing in the faith once given to the saints not, given over and over again to so many and with Me and with you are. I love you.

3. Miraculous-ing My people you are who will seek, see Me, and let Me be Me, constrained not by that which was delivered in error not, once not, but which grows exponentially bringing, operating in the Kingdom of Heaven here in earth. See Me, see you, the same. I love you.

4. Grasping now My body in such love and love pouring out, in, each one to love see, be. I love you. Loving My body and put-down allowing never by any to any for any reason. I love you. Establisher of My values, My word in the hearts and minds of forlorn-not who gutters have known, slept in, vomited upon and been incarcerated in. I love you each one, and now I lift, elevate, propel you; propellant of only Me, igniting flames of righteousness consuming your flesh so that My flesh appears on you as yours; already is, if received. I love you.

5. I lift, elevate, propel. I demise, denigrate and end the life of the end-ers, those who seek only ends, theirs, using people like bullets and caring not for their souls, who they are, their children, or that they are I Am. I love you. I give you Me.

6. Holiness revival research of only Me coming to you upon laden-with-gold not, laden with riches of only Me to My Mine, libraries of riches the world will behold, published, publishing, warning and warring not, but giving sight to the blind and so many that see pervertedly, seeking to rationalize their empirical faith; oxymoron is.

7. I love My family, My handiwork, My craftsmanship, My altogether lovely who I put all of Myself in and now bring forth cataclysmia to bring forth My Me that in Me is, to see and the world behold.

8. Shout for joy; all is as was in My heart in the beginning of time not, before, way before, before all was I was and am and all things in My pattern becoming again. Hallelujah! Amen. I love you and give you Me for every one to behold Me who will, and hold Me in their arms in Mine I do, will, see please: My beholden ones who Me are, My body, one, and one coming, and through all cataclysmia come unscathed, unscarred, no smell of smoke on you, being seen and recognized as only Me. I love you, love, love, lovers of My soul not, lovers of My body who for what which all I gave My all to, for. See what I have said, intimated not, insinuated not, parable'd not, but make increasingly clear and accessible to, for, all. I love you.

9. Think it not strange the hallelujahs that ring, come forth now in camps many, competitors none, competitors realizing I am holy and they are holy and holiness is coming to My all, through My all, in every vocation seen and coming, covert not at all. All shining for, in, Me. I love you each one.

10. My body competing with My body no longer and understanding My budgeting system not, but My abundancing system which comes and no-lacks My body all who will lift, elevate, and propel all and hold on to none, not at all, protecting not that which they proliferate in freedom, freedom being central, central'ers to freedom central in the heart of My every worker, server, servant not; friend, friend, friend. Friends developing for life and longer, each generation knowing the other. I love you.

11. Propellant of only Me: love, laughter, joy, meekness, freedom; pursue these in peace and let all rejoice. Hallelujah. Amen.

12. I love you for writing My words and welcoming My Me from all walks and those who've run from Me, run from Me not; run from who, what, they thought was Me.

13. I represent Me in love, power, grace, and authority given to Me by you My Father. I love you. See what I have said and shrink not back from declaring My Trinity in My creation; is, was, and ever more shall be; world without end not, world ending and beginning again; altogether about Me, My Father of lights in whom is no shadow or variableness of turning. I love you. I've given you Me.

14. All glory to the Father. All glory to the Son. All glory to Me, you, My creation who now knows who I am: you; you, and receives Me unto Myself that where I am you may be also, already are, no shadow'd, light and life received and never turning back again. Bowing to only Me, you; you, Me. One in meekness supreme, reigning in terror not; the greatest love pure ever seen, dreamed, imagined. Glowing: for Me, you.

15. In My Father's house are many mansions. If it were not so I would have told you. I go to prepare a place for you that where I am you may be also, in you. Amen.
Done, Amen.

Hallelujah, Amen.
Done, Amen.
Received.
Hallelujah, Amen.
So be it.
Today enjoy and enter the most holy of holies inside you. Amen. Finished, done, articulate and depend on man never again for sustenance or love-thought.

16. I am Me, you. We are one, My body. Tell all. Hallelujah. Amen.

17. Think it not strange the adversaries to My love, freedom'd love, pure love and adversary not be; intercede. My righteousness stands, permeates, penetrates, positively force of only Me. I love you.

18. Go in peace. My peace I issue this day in grace and glory to all who will be Me in meekness, beholding meekness. See what I have said and ingest all, all, spitting out nothing and leaving Me partially. I love you. Good day.
